

## District Schools Open Tuesday; Rules Outlined

### Principal Bergen Requests Co-Operation From Students

All of the schools in the Tahoe Truckee Unified School District will begin the fall term of school Tuesday, September 2.

Classes will begin at the same time as last year and will be conducted for the entire school day. Buses will run on the same schedule as last year. The teachers and administrators of the schools have been meeting and making plans for the year since August 18. There will be no pre-registration in any of the schools.

Children who have not been previously attending the elementary schools of the district should be taken by the parent or guardian to the nearest school on Tuesday morning. The principal of the school will introduce the parent to the child's teacher. The parent should bring to the school evidence of the child's birthdate, transfer information from the last school of attendance and the report card from the last school of attendance.

The Tahoe Truckee High School will open September 2 at 8:50 a.m. with a general assembly for all students in the cafeteria, according to Principal George Bergen.

After several preliminary announcements, the students will adjourn to the various advisory rooms. There they will receive their programs which have been scheduled according to their pre-registration forms completed last spring.

Following the advisory meetings, the students will attend their regular classes and be dismissed at 3:30. Buses will leave at 3:40 p.m., the regular time for departure. Lunch will be served in the cafeteria for 25 cents. Textbooks will be issued the first day and lockers will be assigned.

**No Pre-Registration**  
There will be no pre-registration prior to the first day of school. Students entering the school for the first time will register in the office following the opening assembly on the first day of school.

During the first week of school there will be no changes of program other than those requested by the teacher. Any change requested by the student shall be considered during the second week of school only if the request is accompanied by a note from the parents requesting the change. There will be no change of program after the second week of school.

**Regular Attendance**  
Students are expected to attend school regularly and on time every school day, Bergen said. Success in high school depends to a large extent on regular attendance, he added. In accordance with school law, absence from school for any reason whatever requires a written excuse from home. To secure readmission after absence, the student must present in the office a written excuse signed by his parent or guardian stating when and why the student was absent.

A student will not be readmitted in good standing until this written excuse is presented. Ten unexcused absences will be sufficient cause for a failure in any given subject, the principal said.

When a student is tardy he must obtain a tardy slip from the office and present it to the teacher. Two tardies constitute one unexcused absence. A student is tardy when he is not inside the classroom door when the bell starts ringing.

**Asked to Use Buses**  
No student has permission to leave the school grounds during school hours for any reason without first obtaining permission from the office. Students are expected to ride the bus to and from school. Students are asked not to ride their cars to school since the buses have been provided for their protection.

"The school is always open for visitation and we certainly hope that the parents will visit us frequently," the principal emphasized. "We are open to suggestions from you, the parents, in order that we may better serve the students and the community."

## SCOUTS, BROWNIES SEEK VETS' BOOKS

Usable books and magazines for the Veterans Hospital and toys of all description for the Children's Hospital, both at Reno, will be collected for distribution by members of Girl Scouts and Brownies Troops Nos. 1 and 2. Books which can be easily handled by the patients are preferred. Anyone wishing to donate the playthings or reading material may telephone Jesse Rablin, Rosalee Kaspian, Dorothea Frey or Carol Ann Quilley.

## DATES FOR BIRD HUNT REVEALED BY WARDEN HERE

Game Warden Tom Borneman this week issued a summary of laws governing hunting of upland game birds within the next few weeks, to clear up some apparent misapprehensions among hunters.

The open season on mourning or turtle doves will begin September 1 and extend through September 30. Shooting hours shall be from one-half hour before sunrise to sunset except for opening day, when the shooting hours shall be from noon to sunset.

A one-day sagehen season will be in force on September 1 in all of Modoc and Lassen Counties and in parts of Mono County. Bag limits in Modoc and Lassen are two birds and in Mono three.

## GIFFORD OFFERS UNIQUE PLAN TO SUPPLY NEW HOME

I. O. Gifford of the Mountain Real Estate is offering a unique plan for prospective home owners in this district.

For a nominal down payment and easy monthly terms, Gifford agrees to construct modern dwellings in the Gateway Park area, which will be completed for occupancy early next year. The homes will be erected under terms of the FHA and small payments will be required, the real estate man said.

Details may be obtained from Gifford who announces that already five applicants have filed for homes under the plan. Gifford said that with the area in need of more adequate housing, the plan should appeal to anyone, particularly young families who will find the cost reasonable.

## POSTMASTERS HOLD MEETING AT BAY

Eleven hundred and seventy-five California postmasters and their guests attended the postal seminar held in San Francisco Friday and Saturday. Among them were the following postmasters from this area: Mrs. E. C. Bavler, Truckee; Oliver Corona, Tahoe City; Carroll Howard, Kings Beach; Arthur Couillard, Soda Springs; Otto Frederick, Norden; and Stewart Wells, Emigrant Gap.

A feature of the gathering was a banquet at the Fairmont Hotel where Postmaster General Donaldson was the main speaker. An inspection of the new accounting office and the Rincon annex were interesting to the postmasters.

## In San Francisco—

Mr. and Mrs. N. F. Dolley are in San Francisco this week and Mrs. Dolley will undergo another operation for a spinal condition in the University of California hospital.

## Visiting Family—

Mrs. Don Ryan, who has been recuperating from a recent illness while visiting Mr. and Mrs. Jack Ellis, expects to soon return to her home at Long Beach.

## Two Held After Attempt Made To Loot Station

### Pair Apprehended After Fight in Local Station

Earl Able, 35, and Albin Anderson, 40, are being held in the Nevada County jail following an alleged burglary attempt at the Standard Oil Company service station here Sunday morning at 2:30 o'clock.

The noise of someone breaking into the station aroused a motorist who was sleeping in his car nearby. The man went to the Shell station just east of the Standard establishment and summoned Vern Hocker. Hocker sped to the scene of the robbery and was giving one of the two a good thrashing when Deputy Sheriff Roy Waters, patrolling the area, and State Patrolman Carroll Maynard appeared on the scene.

Able and Anderson, both employed with a Southern Pacific gang stationed here, were taken into custody and arraigned before Justice of the Peace F. W. Wilson.

Constable N. F. Dolley, who questioned the pair, said they denied any knowledge of previous service station lootings in this vicinity.

## GIRL SCOUTS IN CAMP AT DONNER ENJOY PROGRAM

Camping at Donner Lake, a six mile hike with badges for camp cooking and construction and swimming tests were enjoyed by members of Troop No. 2 of Girl Scouts during a four days trip last weekend. Programs, singing and a marshmallow roast were included and on Saturday the birthdate of Nancy Kaspian was celebrated when her mother, Mrs. George Kaspian, arrived with the party appointments, including a special cake and gifts.

Mrs. Fred Pedley and the following Scouts made the out-of-doors junket: Paula Kaspian, Dorothea Frey, Maria Montano, Anita Diaz, Nancy Kaspian, Janice Gray, Nancy Marquis, Carol Ann Quilley, Ireta Harris, Alice Landers, Christine Landers, Shirley Goodpasture, Shirley Kohl, Janice Nodley, Jesse Rablin, Joan Stallard, Rosalee Kaspian, Irene Englehart, Dorothy Ruek, Rosalee Christiansen.

## SOCIAL SECURITY OFFICIAL TO BE HERE ON SEPT. 22

A representative of the Social Security Administration will be at the Justice Court in Truckee on Monday, September 22, from 10:15 a.m. to 11:30 a.m. to serve persons having business to transact in connection with Old-Age and Survivors Insurance, its operations and benefits, according to Wm. R. Howells, acting manager of the Reno field office.

## Edgar W. Stelzriede Is Home on Leave

Last evening Edgar W. Stelzriede, son of Mrs. Ruth Stelzriede, returned after a year's service in Korea and is enjoying a 14-day leave with his mother while his ship, the USS Virgo, is undergoing repairs. Stelzriede is a graduate of the class of 1950 from the local high school. He arrived on his birthdate, August 27.

## School Bus Drivers Take Exams Here

Sixteen potential school bus drivers were given the required examinations by the California Highway Patrol at the Truckee office Monday. Patrolman Irving Elliott of Roseville was in charge of the class. School bus drivers' licenses are now issued for two years whereas previously the drivers were required to take the tests each year.

## Logging at Summit—

Mr. and Mrs. Jess Bemis and family returned last week from Carson City where the former was engaged in logging, going to Soda Springs to continue his occupation.

## Sun Beams

by Walter M. Barrett

With one of the most important elections in the history of the United States scheduled for November, there are still many citizens who are not qualified to vote. Everyone not now registered is given only until September 11th to qualify and after that it will be too late. It is almost tragic the way some people treat the privilege of being a citizen. There are countless millions in the world who would give almost anything for the opportunities we enjoy, and yet we calmly sit back and permit a minority to direct our destiny. Everyone should take a personal interest in the local and national affairs of our country by registering and voting. Then—and only then—can a clear picture of the wishes of the majority be drawn. Remember September 11th is the last day to register.

If there is a more dangerous railroad crossing along the entire line than the one on Bridge Street in Truckee, we have failed to see it. Motorists should constantly bear in mind when approaching this multi-track crossing that there is a constant flow of trains over the line. Unfortunately, we cannot spread this message to the hundreds of strangers who use the Brockway cutoff to Lake Tahoe and are accustomed to lighted, wig-wag signals on main traveled roads, but we can pass the word along to local readers, who may occasionally get careless. Remember, the trains often can't stop quickly and certainly they can't turn out to avoid a collision, so this is one instance where the timing and caution is a direct responsibility of the motorist.

## ASSEMBLY OF GOD CHURCH GROUP TO CONDUCT SERVICES

Rev. and Mrs. O. J. Bell and family, formerly of Modesto, have arrived to establish an Assembly of God Church, which will be located on Church Street east of Highway 40.

Services announced are Sunday School to be held at 10 a.m.; Sunday morning worship at 11 a.m.; Young People's service, 6:30 p.m. and evening service will convene at 7:45 p.m.

Rev. Bell officiated at a baptism service for six persons at China Cove, Donner Lake, Sunday afternoon. Rev. H. E. Rannels of Carson City and Rev. Dean of Texas assisted in the religious rites.

## OLD-TIME LOCAL RESIDENT VISITS

An old-time Truckee resident, J. F. Adolph of San Francisco, visited here last week with a friend, Vernon Williams, and enjoyed meeting a number of pioneer local residents.

Adolph was born here in 1877 and in 1902 was married to the late Hulda Harris. They were here for the last time in 1911.

The visitor was the son of the late Julius Adolph who operated a store here for many years. The son was the Truckee justice of the peace from 1904 to 1908 and prior to that worked at the old Tahoe Market for nine years.

He is the oldest living member of Truckee Lodge No. 200, F.&A.M., having been a member for the past 54 years, joining at the age of 21.

## MIKE O'ROURKE IS NEW 20-30 MEMBER

Michael O'Rourke was inducted as a member of the Truckee 20-30 Club when it met last night at Brown's Cafe. Ken Hedlund and Jack Ellis served as inducting officers.

Plans were laid for a visit to the Yerrington, Nev., club on September 8, when the locals hope to retrieve their gavel and fine pot, taken by the Yerringtonians on a recent visit here.

## On Crutches—

Reggie Smart, son of Mr. and Mrs. R. E. Smart, is again on crutches following a bone separation in his left foot.

## Several Injured As Cars Crash On Local Roads

### All Cars Leave Highway in Series of Nearby Accidents

Four automobile accidents in which only one car each was involved and in which each driver ran off the roadway brought a number of injuries to motorists during the past week, the California Highway Patrol reported.

Jess B. Gregory, 50, and his wife, Arda Mae, 48, were taken to the Tahoe Forest Hospital yesterday after the car driven by Mrs. Gregory ran into soft gravel a half mile west of Soda Springs and left the highway. The car was badly damaged. Patrolman Roy Stallard investigated.

Janice Lamkin, Tahoe Vista, was injured last week when a car driven by Clayton Roy Lowers, 29, Truckee, ran off the highway between Tahoe City and Kings Beach. Lowers was cited by Patrolman T. F. Sheehan for driving without due caution.

Ottis Qualls, 31, Livingston, and Miss Smith DeIngrahansky, 24, of Modesto, were treated at the local hospital Sunday after a car driven by the former ran off the roadway and was wrecked seven miles west of Truckee. Patrolman Martin Sturcke cited the driver for not having his vehicle under control and for not having an operator's license.

Mrs. Demetra Pepares, 58, Oakland, suffered head and face injuries at 3:30 Saturday afternoon when the car driven by her husband, Peter, 55, crashed into a rock embankment three miles west of Rainbow. Patrolman William Gautsche said he would cite the driver for not having his car under control in a mountain area. Mrs. Pepares was taken to the Tahoe Forest Hospital by Truckee Ambulance.

The patrol urges that during the approaching Labor Day holiday everyone exert more than usual caution to avoid accidents.

## AUXILIARY FOR HIGHWAY PATROL TO BE PROJECTED

Another attempt to organize the Truckee branch of the California Highway Patrol Auxiliary will be made here Monday when Patrolman Lester Kelly of Roseville will speak before members of the 20-30 Club and their guests on the subject. Kelly will also show motion pictures of war scenes from the army's library.

Anyone interested in belonging to the auxiliary, which will be used in event of a major disaster or invasion where transportation facilities may be congested, is asked to attend the meeting to be held at the Sportamen.

Kelly said a series of meetings will be held to acquaint members with their work and members will be privileged to ride with regular patrolmen, providing they are in the regulation auxiliary uniform. It is hoped to have an auxiliary of thirty in this vicinity, Kelly said.

## Quarantine Men, Kin Hold Donner Picnic

Personnel from the state's quarantine stations along the Nevada border and their families enjoyed a picnic outing at Donner State Park on Tuesday. Families attended representing the stations at Truckee, Brockway, Coleville, Vinton, Myers and Peavine, as well as a member of the harbor patrol from San Pedro.

Orval Vaughn and Daven Morey were in charge of arrangements for the day's outing.

**Recovering—**  
Mrs. Don Sites is reported to be recuperating from a recent illness, her friends hoping for a speedy recovery.

**From Illinois—**  
James Weldy of Detroit, Ill., was a guest at the home of Mr. and Mrs. Daven Morey.

## Daughter Here—

Miss Frances Davis of Cloverdale was the weekend guest of her mother, Mrs. Frances Davis of Truckee.

## Sanitary Board Election Slated For September

The Truckee Sanitary District has scheduled an election for the afternoon of September 15 at the local fire station. Two board members, Robert Seibold and Clarence Osburn, whose terms expire, have indicated they will be candidates for retention on the board.

The election board, according to John McGlade, secretary for the sanitary group, will comprise Mrs. John Rablin, Mrs. John Street and Mrs. Vera Davidson.

Upon the advice of Paul Chamberlain, an Auburn attorney, notices of the election were posted in the district. The letter said the notices must be posted not later than August 26 and that the final date for candidate's filing was August 26. Posting, however, was done August 22.

Polls will be open between 1 and 7 p.m.

## 148 PARTICIPATED IN ANNUAL SWIM PROGRAM IN AREA

The swimming program conducted by the Tahoe Truckee Unified School District and the American Red Cross has ended for the 1952 summer season. One hundred and forty-eight children participated in the program this year. The young people were from the north Lake Tahoe area, Truckee and Donner Summit.

Classes were held at Kings Beach, the west end of Donner Lake and the pool at Beacon Hill Lodge. George Boyle was the instructor for all of the classes. This was the fourth year that the swimming classes have been conducted under the direction of the Tahoe Truckee Unified School District, in conjunction with the American Red Cross.

One hundred and one cards were issued to swimmers in the following categories: polywogs, 54; beginners, 19; intermediate, 20; swimmers, three; junior life saving, five.

## GUARDRAILS IN LOCAL AREA TAKE BEATING BY CARS

Guard rails took a terrific beating in the vicinity of the Flycasters Club, five miles east of here, this week.

Gene Rasmussen, Los Angeles, reported to the highway patrol that his three year old daughter, Linda, was injured and taken to a Reno hospital Saturday after his car took out 15 feet of the guard rail along the highway. He said the vehicle skidded in loose gravel.

Fifty to 75 feet of guard rail near the same location was ripped out by a car driven by Ralph A. Martinez, 28, of Jackson Sunday night when the car ran off the road. Patrolmen William Gautsche and Martin Sturcke cited the driver for speeding.

## LOCAL WOMEN NEW CITIZENS

Two residents of this area were among the 70 petitioners granted United States citizenship in federal court in Sacramento on Monday. They are Barbara S. Barrett of Truckee, a native of Canada, and Joyce Dorothy Lausche of Kings Beach, a native of England. The oath was administered to the new citizens by Judge Dal Lemmon, upon recommendation of Edward Sweeney, commissioner of naturalization. National origins in 26 different countries were represented in the group.

## Hawaiian Luau Party At Donner Ski Ranch

Pat and Jack Woodard of the Donner Ski Ranch on Donner Summit are announcing an Hawaiian Luau at their popular resort for Saturday night. An Hawaiian dancer will be on hand to provide some of the entertainment planned and everyone is invited to come and wear Hawaiian costumes if they so desire.

The affair starts at 8 o'clock and Hawaiian food will be one of the attractions.

## Double Date—

Mr. and Mrs. Robert Leamon are observing their wedding anniversary and her birthdate today.

## Water Project Is Discussed During Session At Reno

### Senator Johnson at Meeting To Represent This District

Inklings of what may develop into a tug-of-war over water stored in Lake Tahoe came to light in a hearing before Senator George Malone of Nevada, sitting as a member of the U.S. Senate committee on public works at Reno Tuesday.

Col. A. M. Barton of Sacramento, chairman of the interstate committee on Lake Tahoe, told of a plan to divert Tahoe water westward over the Sierra and into the California lowlands. He said the plan is still in its preliminary stages and is being advocated by Francis Lindsay of Loomis, state assemblyman and official of a western Placer County soil conservation district.

**Pressure Tunnel**  
The plan contemplates construction of a six-mile pressure tunnel from Meeks Bay to the Rubicon River for diverting the water in or out of Lake Tahoe.

Object of the project would be to supply a source to firm up power produced from planned Central Valley projects on the American River. It also would serve to divert water back into Lake Tahoe as required, according to the plan received by Barton. He said the plan is under study by the California division of water resources.

## Details Vague

Senator Malone sought more information on the plan by questioning Barton but the witness said he wasn't familiar with the details.

Representatives of the bureau of reclamation and the corps of army engineers were on hand and presented reports similar to reports given in Reno and at Sacramento last spring. They dealt with the plans for up-stream storage along the Truckee River, power development, channel clearing, transfer of a foot of water from Lake Tahoe to a proposed new reservoir at Prosser Creek and similar plans.

The proposals range in cost from 19 to 100 million dollars.

## Explains Plan

Harvey McPhail of Washington, D. C., whose home was formerly in Sparks, explained briefly the plans of the reclamation bureau and tied some his explanations into the Shasta power problem under questioning by Senator Malone. McPhail is assistant commissioner of the bureau of reclamation.

Francis Breen, Reno attorney, was on hand to ascertain what the various agencies had in mind respecting fish and game preservation as the representative of several fish and game groups.

During the informal hearing, questions were asked and statements made by a large number of water users or their representatives in Reno and Sparks, Washoe County, Carson River areas, Lake Tahoe interests, power company interests and others.

The record of statements was compiled in an official document, to be used at some later date by the senate committee when and if appropriations are sought to finance the proposed development.

Attending the meeting from Truckee were C. Edmunds, E. E. Boehm, Tom Borneman and Ira Gifford. Going from Lake Tahoe were H. O. Comstock, Brockway; George Kehlet, Meeks Bay; Will Bliss, Glenbrook; Charles Young, Eljou.

State Senator Harold (Bizz) Johnson of Roseville attended, representing the local district.

## ANCIENT AUTOS TO TOUR TAHOE AREA

Preparations are being made in the Lake Tahoe area for the reception of approximately 160 drivers and passengers of more than 80 horseless carriages due to arrive on September 6.

The group will tour the lake area, stopping at Don Huff's home-wood Resort for lunch.

The horseless carriages, embracing ancient vintage automobiles from the old 1900 models, always attract a curious group of followers and this will offer an opportunity for their close inspection.

## BURMA TALK IS GIVEN TO LIONS

Truckee Lions heard at their meeting last night an interesting first-hand talk on the customs, economics and politics of Burma. The speaker was Winslow Christian, Loyalton attorney, who recently taught in a Burmese law school.

James Bays of Truckee was inducted as a new member. Other guests were Maurice Bradley of Merced, Clarence Brown of San Francisco and Jack W. Thomas of Sacramento. Angelo Besio presided and Charles Heller was program chairman.

## NORTH TAHOE

by THELMA BURROUGHS

During the visit of the Placer County Chest X-ray mobile unit to Kings Beach on August 21, 161 North Tahoeites took advantage of the opportunity to have free chest x-ray exams.

On August 16 and 17 about 40 of the Mandeville family gathered at the Walt Mandeville home over at Incline for a family reunion. Main attraction was a whole roast pig with all the trimmings. Sunday afternoon June Mandeville prepared a breakfast of hot cakes for the clan, which included Sidney Mandeville and family of Lincoln, Robert Mandeville and family of Antioch, Jim and family of Kings Beach, Bud and Mickey with their two boys also from Kings Beach, and a sister, Vseta Pettick with her family of Carson Valley. There was a weiner roast on the beach and everyone had a wonderful time. These family reunions, so popular in days gone by, are all too few now. Too bad that more of us can't seem to find the time any more for family get-togethers.

The Women's Society of Christian Service report proceeds of \$206 from their ham dinner served at Carpenters' Hall on the evening of August 21.

Friends of Frank Pope will be sorry to hear that he suffered a heart attack last Thursday and was taken to the hospital. Condition of Mrs. P. R. Murray, a patient at St. Mary's Hospital in Reno, remains about the same as last reported at this writing.

The North Tahoe Council of Organizations held a call meeting in The Burroughs lounge last Friday night for the purpose of discussing questions of interest to the community. Walt Mandeville demonstrated a resuscitator which is to be purchased through the Lions Club for this area. Those who wish to contribute toward this very necessary addition of equipment may do so. The resuscitator will be available wherever needed at any time on the North End of Lake Tahoe.

Miss Marilyn Baker of Oakdale replaces Miss Gladys (Bunny) Bryant as a teacher in our Kings Beach School. Miss Baker, an attractive young lady, is tackling her first position as instructor when she takes over the kindergarten and first grade at the beginning of the fall session. She is the daughter of Mr. and Mrs. J. A. Baker, owner-operators of an almond ranch and dairy near Oakdale. Welcome to our community, Miss Baker. We wish you a lot of success.

The 17th District Veterans of Foreign Wars will hold its district meeting in Kings Beach on September 18. There will be a luncheon at The Beachcombers. The Ladies Auxiliary will meet at Carpenters' Hall in Kings Beach and the Vets will meet at the Brockway theater. A weiner roast on Lake Tahoe's shores will follow the meetings.

Mrs. Sidney Smith of Oakland is currently making her home with her daughter, Mrs. Margaret Ward of Dew-Mar Cottages in Kings. Mrs. Ward's father, Sidney Smith, passed away recently following a short illness.

## CALLS ON CITIZENS TO REGISTER FOR NOV. 4 VOTE

SACRAMENTO —(C. N. S.)— A strong plea for the registration of all citizens to permit participation in the November 4 general elections was made Tuesday by Governor Earl Warren. The governor proclaimed September 1 to 6 inclusive as "Registration Week" in California.

His proclamation follows: "California, because of its growth during recent years, has gained a place of new importance and new responsibility in national elections. At no time in its history have its voters been in a position to yield greater influence upon national and international decisions than they will have at the elections this November.

"In view of the predicament in which our nation finds itself today, and the consequent need for a maximum outpouring of voters in November, it is important that attention be given during the next few weeks to qualifying voters for participation in the election.

"The right to vote transcends the ambitions of any and all candidates. It is a personal right that is above all partisanship, selfish interest and prejudice. It is a right inherited from men who fought and died to attain it, and a right which men are still fighting and dying to preserve. It is a right which every American man and woman should recognize as best preserved by usage—a type of usage that calls for each of us

## NOTICE OF SALE OF AUTOMOBILE BY LIEN CLAIMANT

NOTICE IS HEREBY GIVEN that pursuant to Section 427 and 428 of the Vehicle Code of the State of California, the undersigned, Lonnie Goss, Union Station, Soda Springs, California, will sell at public auction at Union Station, Kingvale, Soda Springs, California, at 10 o'clock A.M. on the 11th day of September, 1952, the following described property, to wit:

One 1937 Chevrolet Sedan: License No. 4B52550 (Calif.); Motor No. 1061895.

Legal Owner: John V. Hallenberg, P.O. Box 1741, Grass Valley, California.

Registered Owner: John V. Hallenberg, P.O. Box 1741, Grass Valley, California.

Said sale to satisfy a lien claimed by the undersigned for towing and storage in the amount of \$55.00 together with the costs of advertising and expense of sale.

Dated: August 28th, 1952. Union Station, Kingvale, Soda Springs, Calif. by LONNIE GOSS

to act as though the future of the nation depends upon the decisions we personally record in the voting booth.

"As California prepares for its participation in the national campaigns and the November election, it is logical for us to first endeavor to qualify as many men and women as possible to be participants in the election. Our state laws have fixed September 11 as the last day for residents of the state to register and thus qualify themselves as voters.

"To the end that no Californian be unaware of the deadline for registration and of the importance

of his personal participation in the election, I, Earl Warren, governor of California, do hereby designate the period from September 1-6, 1952, inclusive, as Registration Week in California.

"During this week it is my hope that the leaders of all political, civic and educational organizations in our state, and leaders of all public information agencies such as radio, television, press and motion picture, will co-operate in a public drive to register voters so that California will be capable of full participation in the voter decisions which must be made in November."

# NEW UTILITY BILLING

In keeping with the most modern accounting practices, your Utility District is starting a new method of Post Card Machine Billing with your August bills.

This billing machine automatically subtracts and prints on your bill the amount of kilowatts or gallons used during the month, as well as the amounts due and in the same operation automatically posts this same information on to your permanent personal record in the office, thus eliminating any errors in posting.

At the same time the machine keeps an accurate monthly record of the total kilowatts used, the total electricity billed, the total water billed, all arrears due, the total amount paid and a grand total of all billing and payments made, which information is automatically transferred to a permanent office record.

## NOTICE

A 10 per cent discount is still allowed on the amount of your Electric Bill if paid by the 10th of the month and a 10 per cent penalty is added to the amount of your Water Bill if not paid by the 10th of the month. No discount is allowed on the amount of your Electric Bill unless the total amount of your bill is paid in full.

SWANEE'S  
Tahoe Letter

Tahoe City, August 26  
Dear Tahoeites:  
Start the letter this week with a reminder to all members of the Lake Tahoe-Sierra Chamber of Commerce of the important meeting at Cal-Vada Lodge on September 12 to be held at noon. At this time all paid members will vote on new officers for the organization.

It has been called to our attention by a number of local residents that an eyesore of many years standing has been removed on the Commons at Tahoe City. The townsfolk are certainly grateful to Contractor Norman Mayfield, a civic minded citizen if there ever was one. It was he who took it upon himself to clean up and rebuild the pier which has stood in disrepair and in dangerous condition for a number of years. The heavy snows of last winter damaged it to an even greater extent. Now the civic pier has a good 200 feet of good sound structure at which boats may tie up while their owners go shopping in town or youngsters and grownup sunbathe at their leisure. It has been a distinct hazard to the youngsters especially and unusable to everyone. An orchid to Mayfield, and may his good citizenship be emulated by others. There is still need for a longer pier, should the present lake level drop to any extent, and other beautification of the commons would be welcome. Mayfield said that pilings remained

upright under the water, out of sight of boats, which could easily have caused lake craft to have been damaged had they operated in that area. He has removed the timbers and that danger has now vanished.

Have a number of beautiful picture cards from the meandering C. O. Valentines of Costa Mesa, who are again "doing" the Hawaiian Islands. Cards depict the exotic flowers of that area and one, the

rain flower, a gorgeous red powder puff arrangement, which superstition says will bring rain if you pick one, was tried out by Mr. V. and, lo and behold, they had quite a shower. They were moving on to new islands on the 16th for further sightseeing.

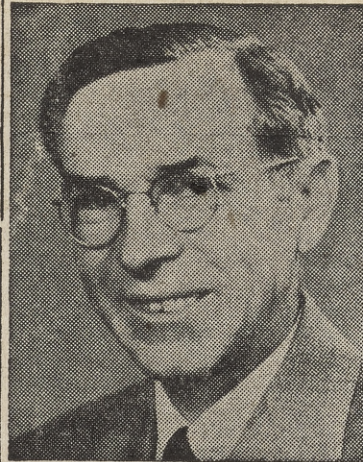

Also have a note from our old friend, Captain Joseph Sanders of the fish and game at Sacramento. This is the first time in 36 years he has not made a visit

to the Lake Tahoe area, although he did get as far as Truckee on business several times. He wants some old pictures I have, if I can locate them since all the moving I've done in recent years. Will answer soon, Joe.

There is going to be a concert next Sunday evening in Pineland Bowl, for which a modest charge will be asked, with proceeds going to the Tahoe City ambulance fund, which has a way of becoming depleted. Al Henry Jr., who has charge of maintenance of the vehicle, told me today that \$112 collected in the recent drive by mail didn't even cover the cost of insurance, which was \$120. Those using the ambulance are supposed to pay for its hire when possible but this is not always done and cost of operations exceed money derived from its use. Al also said that at the golf tournament, which ended yesterday in Tahoe City, owner Carl Becholdt Jr. gave the Tahoe City Volunteer Fire Department proceeds derived from the "hole in one" concession, which netted the department \$146. When asked this morning where the money would be spent, Al said it was gone already, since purchases last week amounted to \$150. Bought for the department was a new fire extinguisher, gas mask and fog nozzle for the roving tanker.

Two Tahoe ladies suffered injuries last week from mishaps. They are Mrs. Molly Ross, mother of Mrs. Bud Scott, visiting at the Scott home from Los Angeles, and Mrs. Bert Anderson of Pineland. Mrs. Ross injured her leg severely when she stepped off the Scott cruiser, Tahoe, one evening

## LION LEADER

BEN JENNE, District Governor for Lions International, who last week visited the Truckee Lions Club at their regular meeting. Bishop Noel Porter of Sacramento and Lake Tahoe was speaker of the evening.

CLOSE COMPETITION  
HIGHLIGHT OF  
GOLF TOURNAMENT

TAHOE CITY—The third annual golf tournament staged by owner Carl Becholdt Jr. at the Tahoe City golf links was attended by 150 entrants and a large crowd of spectators. Local merchants and resorts donated the 150 prizes which were awarded and Becholdt donated the trophies. The host served cocktails at the clubhouse at the close of the tournament and Carl Becholdt Sr. and son Bill hosted the buffet lunch. Pat Martin and Bernard Duffy drove from Palm Springs to serve as starter and scorer, respectively, and Peter Marich of Reno served as master of ceremonies. Bill Brougher and Angy Bonino assisted in staging the tournament.

Saturday juniors took over the links with Denis Palmer low gross winner with 78, second went to Harold Brixey with 80. Sharon Johnson, Carson City, took girls' low gross with a 75 and Jean O'Hara of Phoenix was second in 101. Low net went to Parky Becholdt, seven-year-old son of the hosting owner, who made the 18 holes in 110, which with a 50 handicap gave him a net score of 68. John Wilson made it in 91, with a 23 stroke handicap, for a tidy net of 68. Girls low net went to Christine Boscacci who had a gross 120, 50 handicap and net 70. Becholdts' daughters, Sharon and Christine, tied for second on low

last week at a pier across the lake. Her foot slipped and was badly bruised by the timbers. Mrs. Anderson sustained her injured ankles while in Reno. She glanced at a display in a store, near a stairway and turning, tripped over the stairs. She was assisted up and both ankles were badly bruised and swollen.

Mrs. Bessie Dove, mother of Pineland's Mrs. Charles Beardsley, has returned to her home in Oakland following an extended visit with her family at Tahoe. She is 85 years of age and is hale and hearty, despite her advanced years.

Mrs. Marie Henry, director of the Placer County TB and Health Association, who made the arrangements for the recent visit of the mobile chest x-ray unit to Tahoe City on August 20, announced that 250 persons were checked during the visiting hours, with 50 of these town residents taking advantage of the 8-9 p.m. hour service.

Visited Captain and Mrs. John Kvistberg in their new home on the lakeshore Sunday and like the new edifice much more than the old which was destroyed by fire some time back. The Kvistbergs are planning on remaining at the lake through the coming winter.

Ring off for the week with the usual admonition to drive carefully over the Labor Day holidays. Remember it's better to be safe than sorry—and easier in the long run. My best to all, as ever, SWANEE

### FIRE THREATENING MOUNTAIN TOWN QUICKLY CHECKED

A forest fire started by carelessness of a person near the town of Washington, Nevada County, on August 16 served again to remind us of the need to be extremely careful while travelling in the woods.

Prompt action on the part of the residents of the town, which lies off Highway 20 between its junction with Highway 40 and Nevada City, contained this highly

potential fire to a relatively small area of just under an acre in size. Without this help, Emory MacCarroll, acting fire control assistant of the North Bloomfield Ranger District, Tahoe National Forest, states that a major fire would have undoubtedly resulted.

The cooperative attitude of these people is outstanding and is much appreciated by the very busy fire control employees of the Tahoe National Forest.

MacCarroll again points out the few simple rules for all to follow who visit or travel in rural or mountain areas.

First, he says, if smoking is necessary, be sure you smoke in a cleared area at least three feet in diameter. The ground cover is tinder dry at this time and the single spark from a cigarette, cigar or pipe will quickly start a fire going.

Second, while driving be sure to use your ash tray. Do not in any case flick your cigarette or pipe

### Dedicate Memorial to Father of Labor Day

M. A. Hutcheson, president of the United Brotherhood of Carpenters and Joiners, places a wreath on a memorial to Peter J. McGuire, who first proposed a national labor holiday in 1882, and fought for it until Labor Day was legalized by Act of Congress in 1894. The memorial is in Arlington Cemetery, Camden, N. J. Shown participating in the recent ceremony honoring McGuire are William Green, president of the American Federation of Labor (left), and Secretary of Labor Maurice J. Tobin. McGuire, who died in 1906, was also founder of the carpenter's brotherhood.

ashes out of the window and never flit a cigarette butt out of the car—even if you think it is out.

Next, secure a campfire permit before going into the woods and then follow the rules stated thereon explicitly.

And if you see a fire burning unattended, take action immediately. If you can't handle it yourself, report it to the nearest resident who will know how to get in touch with the closest forest officer.

August and September, MacCarroll points out, are our most hazardous months for fires as they start easier and spread more rapidly. With care and thoughtfulness on the part of everyone we can reduce this hazard and cut expenditures for putting fires out, he concluded.

### FISH & GAME ACTS TO BETTER TROUT LIVING CONDITIONS

A total of 70 miles of trout streams will be improved for both fish and fishermen and more than 3300 acre-feet of new lake waters impounded this summer in the most ambitious habitat improvement program yet undertaken by the California department of fish and game.

Construction of 17 stream flow maintenance dams will be underway this year in the El Dorado, Stanislaus and Tahoe National Forests. They will be financed by the wildlife observation board with its share of state pari-mutuel proceeds.

The relatively inexpensive check dams are constructed of native rock to conform to forest service regulations against unsightly man-made improvements. The dams store water in high elevation lakes and maintain a year-round flow in streams below.

Adjustable flow dams in the El Dorado Forest will improve more than 40 miles of stream and impound an additional 1040 acre-feet of water. Slated for early completion are dams on Smith and Lyons lakes on the south fork of Silver Creek; Winnemucca Lake on Woods Creek; Round, Dardanelles and Showers lakes on the Upper Truckee River; and Gilmore Lake on Glen Alpine Creek.

Tahoe National Forest improvements include creation of about 1200 additional acre-feet on Big Downey, Lower Loch Leven, Maria, Lower West and Upper West lakes.

The Emigrant Basin area of the Stanislaus Forest will benefit by improvement of 30 miles of streams and 1078 acre-feet of new storage on Lower Highland Lake, north fork of Mokelumne River; Bigelow Lake, east fork of Cherry Creek; and Lower Buck Lake on

## Survey High Altitude Ranges; Snow Pack Still Heavy in Spots

Supervisor Guerdon Ellis of the Tahoe National Forest, with Staff Officer Howard Smith and Rangers Frank Sodolski of Sierraville and Cecil Wynne of Downville, recently completed a three-day pack trip in higher mountain sheep and cattle ranges.

Ellis reports unprecedented snowdrifts still remaining on the high northeast exposures. A drift over a quarter of a mile long averages in excess of ten feet depth, for example, above Jones Valley at the head of Pass Creek. Range conditions have been greatly delayed at higher elevations. Where free from snow, however, food is exceptional. High meadows are lush but only recently have dried to where they are not too soft for livestock use. The year has been a difficult one for many stockmen who count on use of the National Forest lands, earlier than was permissible or even possible. Lambs shipped from the range have been of good weight, however.

Rivers and creeks are still high or running much more water than

average at this date. Snow melt and improved water table are responsible for the excellent water production. Ellis states fishermen encountered at remote locations were having excellent luck with files.

Deer appear not seriously depleted in numbers. Many bucks in the velvet and numbers of twin fawns were seen. Mountain quail appear to be holding their own but less blue grouse than usual were encountered.

Ellis also notes that family camping has been on the increase this season, even in the less accessible areas such as French Meadows. Public campgrounds are seeing heavy use from vacationists enjoying a period away from the hot valleys and urban centers.

## COUNTY RELIEF ROLL IS OVER DOUBLE AVERAGE IN NATION

In Nevada County, 64 people out of every 1,000 receive direct public relief of one kind or another, compared with 41 per 1,000 for California as a whole and 30 per 1,000 for the nation, California Taxpayers' Association says.

Out of the county's 20,580 population on January 1, 1952, there were 1,327 people receiving one or another of the four kinds of relief during June, 1952.

How many people are on the rolls depends upon federal, state and county laws, administration and conditions.

The 917 receiving aid as needy aged amounted to 69 per cent of the people on the county rolls. Another 24 per cent include the 314 children receiving relief. In addition, there were 27 blind and 69 people receiving general home relief in the county.

## 100 Millionth Vehicle Over Golden Gate

SAN FRANCISCO—A vacationing plumber from Washington, Jesse Hess, and his family received special attention from Golden Gate Bridge authorities last week, when their automobile proved to be the 100-millionth vehicle to cross the bridge since it was opened to traffic on May 28, 1937.

In addition to receiving a framed picture of the famous bridge, the Hess automobile crossed the span toll-free. Hess, his wife and three children were entertained in the offices of the Bridge District where James E. Ricketts, bridge manager, also presented them with a book relating the history of the bridge. Hess is employed at the Hanford, Washington, plant of the Atomic Energy Commission.

## Scots to Gather Aug. 31 At Petaluma Fairground

PETALUMA—Upward of 5,000 spectators and participants are expected to attend the 87th annual Scottish Gathering and Games at the Fairgrounds in Petaluma on Sunday, August 31, according to the National Automobile Club.

Events start at 10 a.m. and include novice and professional piping, dancing competitions, track and field events, soccer tournaments, folk dancing and special events for men, women and children. Medals, cash and trophies will be awarded.

## Followers Of Karl Marx Continue Persecution Of Christian Missionaries

by Thomas E. Comber

"ESPIONAGE" was the charge against him—he was an American in Communist China. Robert W. Greene was raised in Jasper, Indiana. When he decided to follow Christ, he never dreamed that his footsteps would also be the bloody steps of Calvary. Kwangsi Province is a long way from Jasper, Indiana.

Terror rule under the Communists is a long way from America's tradition of justice for all men. Here are the facts. This is the way the Communists treated Robert W. Greene because he was an American—because he was a missionary.

Before they made his arrest official at Tungan, North Kwangsi on April 3, 1952, Father Greene had been under "house detention" for seven months.

TERROR-TREATMENT began on April 3, 1952 and was to last for eleven days. He was questioned ceaselessly, his head bowed and his arms tied behind him. He was lined up against a wall and threatened by a soldier with a machine gun.

Robert Greene was put through two public "trials"—at which hysterical mobs chanted, "Kill, kill!"

At the first "trial" on Palm Sunday the Chinese Reds brought him out before one mob. A guard struck his nose,

was editor of the army newspaper for the Alcan Highway while stationed at Whitehorse, Yukon Territory, Canada.

## County Seat Weekly Changes Owners

NEVADA CITY—Craig Hazlewood Jr., San Francisco, has purchased the Nevada City Nugget, county seat weekly newspaper, effective September 1. Hazlewood returned recently from several years in Austria, where he was a public relations officer for the Allied Military Government.

Hazlewood served in the U. S. Army during World War II and

Hazlewood is married. The couple has three small daughters and they have established residence in Nevada City.

Ken Wray, who has published the paper for the past four years, will remain for a while to help in the mechanical department of the newspaper and to assist the new publisher.

## SNOW FLOW TURN TRACK IS BEING AT GAP BY S. P.

Work began last week on the construction of a balloon track on the Southern Pacific line near Emigrant Gap which, when completed, will enable snow plows and shovel equipment of the railroad to make a complete turn in that area. The grading contract has been let to Thomas M. Montgomery Sr. of Auburn.

Montgomery has estimated that between 85,000 and 100,000 yards of dirt will have to move with cuts up to 40 feet having to be made and fills as deep as 60 feet.

The project, to take some 50 to 60 days, will employ up to 14 men, Montgomery stated. Equipment used will include seven tractors and carryalls. Completion of the balloon track should come before the heavy snow falls next winter.

The balloon track of about 3300 feet in length is supposed to assist in preventing such traffic tie-ups as occurred last winter when the City of San Francisco was snowbound for several days with

passengers aboard. The location of the track is between Blue Canyon and Emigrant Gap, just above the place where the streamliner was marooned last winter.

Montgomery's contract also calls for a widening of the road bed in Emigrant Gap.

A fire started by the Russians in Moscow after French occupation Sept. 12, 1812, destroyed 30,800 houses.

## Discovers Historic Precedents Favorable to Republican Aspirant

SANTA BARBARA— If history repeats itself, the Republicans may get back the Presidency by nominating a military man, a professor or at Santa Barbara College of the University of California revealed.

Dr. Henry A. Turner, assistant professor of political science, explains it thus: During the previous period of the Democratic Party's domination of the nation's No. 1 office, from 1801 to 1861, the Republicans (then the Whigs) were able to put only two men into the White House.

They were William Henry Harrison and Zachary Taylor—both battle-experienced military Presidents. Harrison fought the Indians and later the British in the War of 1812. Taylor also saw combat in the Indian wars and became a hero in the Mexican War, attaining the rank of major-general.

Dr. Turner explained that in our nation's history the political power swings back and forth regularly between the two parties.

The Democrats won every election except for Harrison and Taylor from 1801 to 1861. The Republicans won every election except

DWIGHT D. EISENHOWER

for the incumbencies of Grover Cleveland and Woodrow Wilson from 1861 to 1933 and from 1933 to the present the Democrats have again had control.

Reasons why one party has been able to stay in power for long periods were listed by Dr. Turner.

### Art Sathers Honored On Anniversary

TAHOE CITY— Mr. and Mrs. Art Sather of Auburn, who are vacationing at their summer home on the lakeshore near Homewood, were honored on August 18 at a dinner at the Golden Hotel in Reno on the occasion of their 41st wedding anniversary. Hosts for the evening were Mr. and Mrs. Tom Whitmore of Chico who recently purchased a summer home in the Tahoe Pines district near the lake-shore. Other guests were Mr. and Mrs. Edwin LaMontagne of Burlingame, whose summer home is in the Brockway district.

The Sathers will remain through the month of September before returning to their home in Auburn.

### Women's Club Stages Successful Sale

TAHOE CITY— Mrs. Gladys Anderson of Pineland and Mrs. Stella Watson of Lake Forest were in charge of the food sale held last Saturday in Tahoe Community Center hall by the Women's Club of Tahoe. Mrs. Anderson reports that a profit of more than \$30 will be realized. This is an annual event for the club.

Fourteen members and guests gathered on the lakeshore of the Tahoe Commons last Thursday for the pot luck picnic staged by members of the Women's Club of Tahoe. Two guests attending were Mrs. Alice Gebhardt and Mrs. A. D. Wilkie.

### Lake Level on Monday Was 6228.64 Feet

TAHOE CITY— The lake level on August 25 was 6228.64 feet, according to A. E. Frodenberg, weather observer and gate tender.

Daily high and low temperatures for the week before were Aug. 18th: 77, 37; 19th: 77, 38; 20th: 76, 38; 21st: 78, 40; 22nd: 78, 40; 23rd: 77, 42; 24th: 78, 40; 25th: low 41.

### ADVERTISE

First, he said, the party seems to represent public opinion most effectively and, second, more power is generated by patronage and the party is better able to build up its membership.

In addition, he continued, the party out of power was discredited. The Federalists were discredited by the Alien and Sedition Act, the Democrats by the Civil War and more recently the Republicans were blamed for the depression.

### TYPICAL AMERICAN COUNTY FAIR EARLY NEXT MONTH

GRASS VALLEY— As typically American as an "old-fashioned hoe-down" is the Nevada County Fair to be held September 11, 12, 13 and 14 at the "most naturally beautiful fair grounds" in California.

From the tree-studded grounds to the beautiful buildings, the fair setting is "country fairish" in a manner that reflects the hospitality and industry of the people of Nevada County.

A grand program of "fun and education" is being set up to please the thousands of people from Nevada County and surrounding counties expected to pour through the 10 cent gates.

Manager Loyle Freeman has announced that a top notch vaudeville show will be brought here by Raynor Lehr of Hollywood. Seven highly entertaining acts will run nightly on the outdoor stage, with a seating capacity of over 2,000.

Lehr has announced that "Cheeta" the famed chimp of Tarzan movies will be a special attraction. Other acts include The Midgets, Brats, unicycle wizards; Hollywood Canines, stars from the dog world; Penny Parker, the human pretzel; The Jumping Jacks, three bouncing personalities; Dizzie Lizzie, the comedy Ford; The Hollywood Juvenile Band, the last word in music.

On Sunday afternoon plenty of thrills will be offered by the horse show, which is under the direction of Mel Lawrence of Roseville.

Crafts Carnival will be brought here direct from the State Fair at Sacramento. This will be real treat for the kids.

General admission to the grounds will be ten cents for adults and children. Admission to the vaudeville will be 50 cents for adults and nine cents for children; \$1 for adults and 25 cents for children at the horse show.

### Guests of Geiers—

Guests at the home of the Phil Geiers of Tahoe Park are their son-in-law and daughter, Mr. and Mrs. Charles Bailey of Arcadia, and their daughter, Susan. The latter has been spending the summer with the Geiers and will return home with her parents Friday.

### Relatives Are Guests—

Mr. and Mrs. D. M. Brodehl of Lodi have been guests of their son-in-law and daughter, Mr. and Mrs. Jay Shontz, in Tahoe City.

### Up from Chico—

Mrs. Gertrude Collins of Chico arrived from Santa Barbara to visit her son-in-law and daughter, Mr. and Mrs. Nate Sexton, at Tahoe City.

### Good News For Kids

LOS ANGELES—The 4th annual observance of National Kids' Day has been set for September 27 and children of the All People's Church here are shown displaying the official Kids' Day poster with Jimmie Fidler, president of the National Kids' Day Foundation. The children are (l to r): Sandra Gotanda, 4; Ernest Trevino, 5; and Eileen Loo, 5. More than 200,000 of these posters will be distributed to the 3,500 Kiwanis clubs in the United States, Canada and the Hawaiian Islands. Kids' Day is jointly sponsored by the more than 3,500 Kiwanis clubs comprising Kiwanis International and the National Kids' Day Foundation, Inc.

### WESTERN AREA PINE PRODUCTION SEEN TO BE IN DECLINE

SAN FRANCISCO—Production of pine lumber during the week ended August 2 totaled 79,205,000 feet, the Western Pine Association reported this week, on the basis of figures supplied by 108 mills. The report covers ponderosa, sugar and Idaho white pine and associated species.

Production was off sharply from the 81,618,000 feet cut the previous week but an increase over

the 76,086,000 feet produced in the corresponding week a year ago. For the year to date the association reported production is off eight per cent, shipments five per cent and orders three per cent from the same period in 1951.

### At Timberland—

Mr. and Mrs. Melvin Lopes and Mr. and Mrs. Mervin Frates of San Leandro and their children enjoyed a visit of several days at the Lopes summer home in Timberland last week, returning home Sunday.

### TWO PAY FINES FOR VIOLATION OF LAWS OF FORESTS

TAHOE CITY— Failure to observe forest protection laws cost one man \$50 and another \$25 in the court of Judge C. W. Vernon of Tahoe City this week.

Cited by a forest service officer, Richard Chapman of Tahoe City was fined \$25 for burning without a permit and Bruce Brock of Alameda Naval Air Station paid \$50 for throwing a lighted cigarette from a moving vehicle—and in the process of moving, he failed to halt at an arterial stop sign, which cost him another \$5.

John Bowman of Kings, Beach was fined \$35 for speeding in a 35 miles per hour zone, as was Arthur Magrini of Crystal Bay. Also fined \$5 each for skipping a stop sign were Dr. G. H. Scaroni, Fresno; John Chereh, Concord; H. C. Reid, Berkeley. Fined \$3 each for improper parking were Harold Schaffer, Carmel, and G. M. Olson, Oakland. The latter citations were issued by State Patrolmen T. F. Sheehan.

### Carl Bechdolts Jr. Parents Of Daughter Friday

TAHOE CITY— It's another baby girl, born Friday night (August 22), at Tahoe Forest Hospital for the Carl Bechdolts Jr. of Tahoe City. She weighed in at 6 1/2 pounds and has been named Melinda Susan. Mother and are doing fine and have returned to their home in Tahoe City.

### PLACER VEHICLES

According to the department of motor vehicles, there were a total of 20,408 vehicles paying registration fees from January 1 to June 30, 1952. These include 15,479 autos, 3,197 trucks, 1,607 trailers and 125 motorcycles.

You must be registered by Sept. 11 to vote on Nov. 4!

## SUMMIT SCENE

by FRAN COUILLARD

Labor Day usually means a let up in summer business, to an extent anyway, until deer season opens. This is usually the time for mountain parties and the more

unique the better. If you have an Hawaiian shirt, a grass skirt, like to go barefooted, can "bump and grind" a hula, like to wear a lei, or are adept in pitching a one, two or three finger poi, if you like waving fronds, or tropical drinks, if you like pineapple, guava, breadfruit, bananas and papayas—if you like baked suckling pig with an apple in its mouth—

then save Saturday night for Donner Ski Ranch and Jack and Pat Woodard's luau, which I learn is Jack's farewell to summer for his seasonal liquor license expires this month-end. However, Jack wants all to know that his television operation is still open for the public's peering.

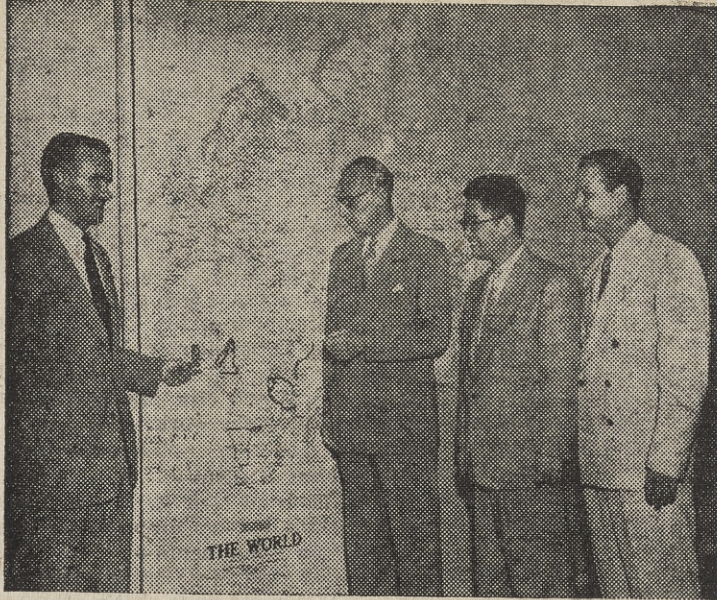

Which reminds me that Bill Strickland, formerly of this area, sends us a card announcing that he has a television program which started this past Monday entitled "Bill Strickland's Sports Varieties" from Station KPIX Channel 5.

Speaking of sports, the perfectly charming young lady who entered our little business place this past Sunday on the very proud arm of her dad was Barbara Stark, who has just returned from Helsinki, Finland, and the Olympics. Barbara brought back the world's championship for her famous back stroke on the American team. The Starks vacation at the Wiggins cabin in the Rainbow area. The Starks hail from Orinda, Calif.

The Brant Chaplins hie themselves valleyward for a few days of rest before fall house cleaning starts. Son Bob Chaplin works readying a booth at the state fair with Tom Vicencio for Tom's Sierra Gift Shop display. Tom says he has a good location for his little booth and that his mountain friends are welcome to rest in his place as their feet grow weary and tired.

The Donner U.S. 40 Chamber of Commerce directors held a meeting at the Ski Ranch where plans

## U.N. Visiting Mission to West Africa

Examining on the map the areas they will visit this fall are the four members of the United Nations Trusteeship Council mission who will make on-the-spot studies of conditions in four West African trust territories. In addition to visiting both the British- and French-administered Togoland and Camerouns, they will make a special survey of the Ewe peoples' unification problem in these territories. The members of the mission are, from left to right: Chairman Roy Peachey, of Australia; Robert Scheyven, of Belgium; H. K. Yang, of China; and Roberto Quiros, of El Salvador.

for a party were discussed, said party to be held September 14 at Donner Lake. Hot dogs, corn on the cob, watermelon, potato salad and stuff of that nature will be served by chamber members. Auburn, Truckee, Colfax, Grass Valley, Nevada City and Lake Tahoe chambers will be invited to participate in this big "kick off" party for the Donner U.S. 40 Chamber. Hap Warnke was given the chairmanship of this wingding. President Brant Chaplin was given the full backing of the board to go full speed ahead on an area brochure. The next regular meeting for all members will be held September 3.

Whilst the chamber board meeting was going on, Johnny Richards of Truckee celebrated his birthday in a big way in another part of the building. Mrs. Emmett Seawell and children rest for awhile in the Jerry Jansen cabin on the edge of Lake Van Norden.

Day Tschopp and family return from San Francisco where they have summered to establish themselves on this mountain top again. John Carl takes off for awhile to recoup from his recent sick spell.

The "Doc" Buick home at Soda Springs is ready for occupancy as the last doors are hung. According to the Buick clan the main feature

will be an opening on or about October 1.

Maud Howard graces these parts again with her friendly presence. Maud, an old time resident as far as time here is concerned, has been away for a couple of years but, a true mountaineer, her native land has claimed her again. Maud, we hear, will be employed at the Soda Springs Hotel.

Elmo Moriano's swimming pool at Beacon Hill Lodge still brings them in by the score each day. As Elmo makes no charge for swimming we take this opportunity to offer the thanks of the community to him.

Cigars are being passed around by Bill Carrico, principal of the Donner Trail Elementary School, as he gets word that Lucille has added another son to the Carrico clan. Lucille still stays in Montana until the baby is a bit older whilst Bill comes home to be here for school's opening.

Edi and Betty Aro will be vacation bound within a few days.

## EXPLORER SCOUTS ON WEEK LONG OUTING IN SIERRA

A group of Explorers representing the various communities of the Tahoe Area Council, Boy Scouts of America, started from Camp Pahatsi, Sunday, August 24, for a seven-day hike across the Sierra to Downieville.

The hike, which is under the leadership of Field Executive Del Raby, is a high type training experience for these members of the Explorer program of Scouting.

They will put into practice survival skills and hiking and camping techniques learned in the Explorer program.

Upon completion of this trip they will have qualified for the Outdoor Skills Explorer Rating.

one of the most difficult awards in the program.

The group expects to arrive in Downieville sometime Saturday, August 30, where they will be received by members of Scout Troop 34, who will prepare a special dinner and program for them.

Explorers participating in this trip include Clyde Mandeville and Dick Mandeville, Troop 31, Kings Beach; Stanley Forbes and Martin McDougal, Troop 3, Auburn; Edward Payne, Post 4, Grass Valley; Lloyd Holm, Troop 35, Grass Valley; George K. Grant and Ian Grant, Post 26, Foresthill; Thomas Price, Post 35, Grass Valley; Bob McAndrew, James Griffith and Wesley Robinson, Troop 11, Roseville; Eddie Herbst and Leonard Lindauer, Troop 14, Roseville.

### CRASH VICTIM IS IDENTIFIED AFTER 'PRINTS TRACED'

Police this week identified the man killed in an automobile accident early in the morning of August 11 one mile west of Soda Springs as Robert Joseph Butler, 43, of Little Rock, Arkansas.

Identification was made, the California Highway Patrol reported, through fingerprints supplied the Federal Bureau of Investigation.

Butler, alias Murphy, alias O'Brien, was fatally injured when a car he was driving, stolen a short time previously from a Reno street, got out of control and overturned on the highway. A hitchhiker, Frank B. Blaylock, San Jose, was released from the Tahoe Forest Hospital after receiving treatment for injuries suffered in the accident.

The record reveals Butler had been arrested in Reno the day before his death and was sentenced to pay a \$10 fine or spend 10 days in jail as a disorderly person. He was given a "floater" and presumably stole the car which was wrecked shortly after he left Reno. There are no known relatives, the report indicated.

A number of previous arrests were reported on Butler's record.

### EASTERNE FINDS TRAVEL DIFFICULT

Clifford Clark Schoning of Linden, New Jersey, found it a bit troublesome to travel through this area last week.

Schoning was arrested here on a charge of violating the county sobriety ordinance, appeared in the justice court of Judge F. W. Wilson, paid a \$15 fine and was released.

Two and a half hours later he was nabbed in the vicinity of Alta and booked to appear in the justice court there on charges of driving while intoxicated and violating Placer County's sobriety ordinance.

### Cliff Ellises Feted At Home in Gateway

Mr. and Mrs. Cliff Ellis were given a surprise house warming on Saturday evening in their Gateway Park home, with Mr. and Mrs. Jack Ellis and Mr. and Mrs. Ken Hedlund as co-hosts.

A gift was given the honored couple and refreshment was served. Other friends present included Messrs. and Mesdames Kenneth Foster, L. W. Ferdinand, Lauren Russell, Paul Archer, Karl Kiehofer, Chet Burns, N. F. Dolley.

### \$100,000 Suit Filed In Fatal Rainbow Crash

NEVADA CITY—The Rumbley Company, a trucking company, and William Weaver, a truck driver, are defendants in a \$100,000 damage suit filed by Linda Benedetti, administratrix of the estate of A. S. Oppio and Caterina Oppio of Sparks, Nevada.

Mr. and Mrs. Oppio were killed September 11, 1951, in a collision between their pickup truck and a Rumbley tank truck near Rainbow Tavern. Weaver was injured.

### Visitors Here—

Mrs. M. J. Quick and son, Jack, and Mrs. Henry Arnel of Covina are house guests of Mr. and Mrs. Cecil Clepper. The visitors are leaving Monday, accompanied by Don Quick, who has been vacationing at the Clepper home. Mrs. Quick and Mrs. Clepper are sisters.
